

Medium of Instruction (1021st BOR Meeting: 29 May 1989)

The UP Language Policy provides for the development and use of the Filipino language while maintaining English as a global lingua franca. The Policy states that Filipino shall be the medium of instruction in the University at the undergraduate level, within a reasonable time-frame or transition period. Graduate courses of study shall be in English, though there could very well be graduate courses of study in which the medium of instruction is Filipino. English shall be maintained as the primary international language in the University to serve as its chief medium of access to the world's intellectual discourse.
