NOTES:

¹Math 11 and 14 may be taken in lieu of Math 17

²Math 53 and 54 substitutable

³Courses may be taken from the offerings of the different Science Departments of the University, including Psych 195 (except Math 1)

For BA/BS Psych and other programs with calculus level math course requirements, the GE-MST requirement is reduced from 15 units to 12 units

*Kas 1 and Fil 40 satisfy the 6-unit Philippine Studies requirement

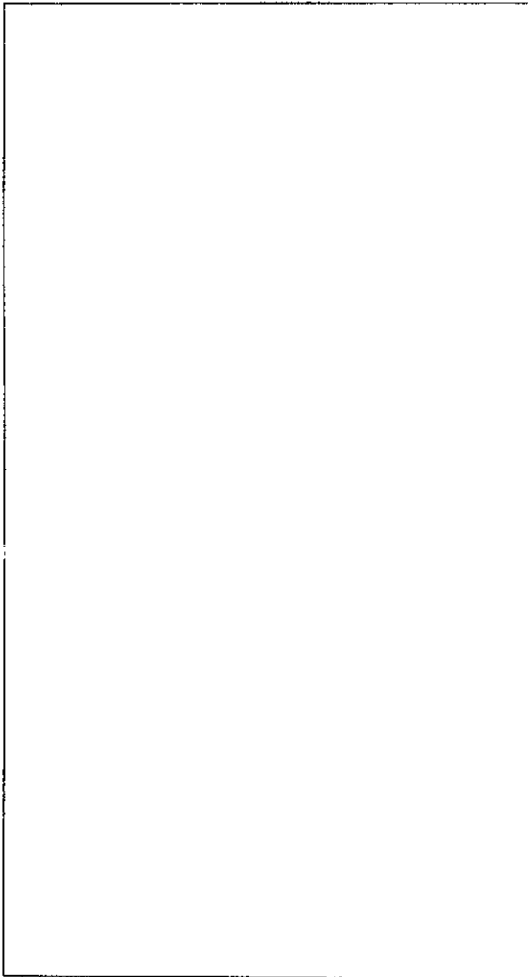

Note: As a requirement for graduation, all students must take six (6) units in one of the National Service Training Program (NSTP) components: Civic Welfare Training Service (CWTS), Literacy Training Service (LTS), and Reserved Officer's Training Corps Military Science (ROTC Mil Sci). These are offered by UPD.

NOTES:

* Sequencing of Psych 155, 170, and 124 depends on student's plans for the type of practicum he or she will undertake

**These courses can be interchanged

between the two semesters within each year level
***May be any non-GE science course at the undergraduate level (including Psychology), such as those offered by: the College of Science, the Department of Computer Science, the Department of Sports Science, the Department of Food Science and Nutrition, and the School of Statistics.

Note: As a requirement for graduation, all students must take six (6) units in one of the National Service Training Program (NSTP) components: Civic Welfare Training Service (CWTS), Literacy Training Service (LTS), and Reserved Officer's Training Corps Military Science (ROTC Mil Sci). These are offered by UPD.

The University regularly reviews course curricula and may revise them. Students admitted into this program shall follow the existing curriculum until such time that a new curriculum replacing it has been duly approved for implementation. All courses prescribed and taken under this existing curriculum shall be credited under the new curriculum.
