

Master's Degree Program

The requirements for admission into a master's program are the following:

- 1) bachelor's degree from a recognized institution of higher learning; GWA at a grade not lower than 3.00, to be set by the unit;
- 2) intellectual capacity and aptitude for advanced studies and research;
- 3) language proficiency; and
- 4) satisfaction of additional University requirements such as health clearance and other special admission requirements that may be imposed by the unit concerned and/or appropriate Graduate Committee/Office.

The Language proficiency requirement is the same as in the Diploma program (Refer to Post baccalaureate Diploma Programs in this section).

Each application for admission into a master's program shall be accomplished in the official application form and accompanied with the official transcript of records, and written recommendations from two (2) former professors or experts in the field in which the student is applying for.
