

**PERMANENT SUBSTITUTION** (*Revised UP Code: Art. 354-358 as amended at 76<sup>th</sup> UPD UC: 12 December 2001*)

Per the approved GE curriculum, Natural Science 1, Natural Science 2, and Mathematics 1 may be substituted by a set of courses in the major fields of students in the natural science curricula.

Example:

For Nat Sci 1- Physics 71, 72, 73 and Chem 16, 17

For Nat Sci 2- Geology 11 and Biology 11

For Math 1- Math 11 and 14 (or Math 17) up to Calculus (Math 53 or 100) for programs whose curricula do not require Math 1
