

? what is UPROTC

The Reserve Officers' Training Corps (ROTC) is one of the components of the National Service Training Program (NSTP), a course to be completed as a requisite for graduation. ROTC is designed to provide military training to tertiary level students in order to motivate, train, and mobilize them for national defense preparedness.

Graduates of UP ROTC have served with honor and distinction throughout UP ROTC's more than 100 years of existence. Be it in the armed forces, civilian government, or the international community, UP ROTC has left a legacy of service, leadership, and excellence—keeping true to its cherished shibboleths of DUTY well-performed, HONOR untarnished, COUNTRY above self.

Currently,
the UP Diliman ROTC has three units:

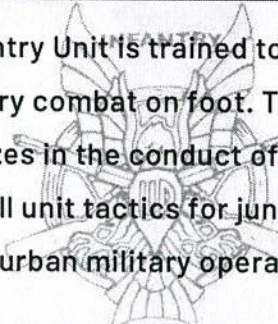

RAYADILLO INFANTRY RESCUE

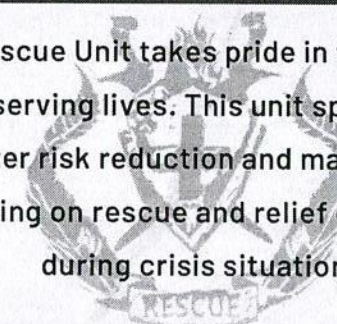

The Rayadillo unit specializes in drill and ceremonies. Frequently tapped to represent the UP ROTC in various University functions, Rayadillo cadets are given two (2) PE credits for each semester of training.

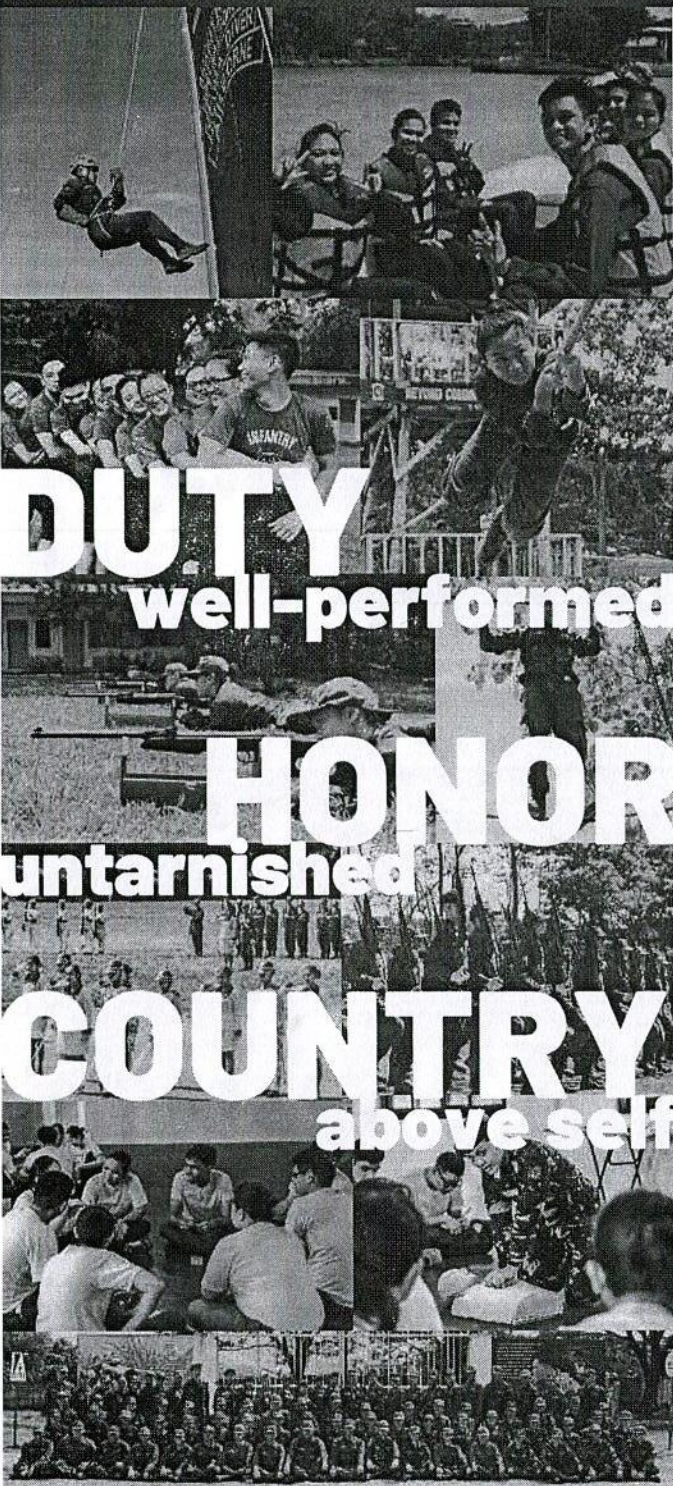

The Infantry Unit is trained to engage in military combat on foot. This unit specializes in the conduct of individual and small unit tactics for jungle-based and urban military operations.

The Rescue Unit takes pride in the mastery of preserving lives. This unit specializes in disaster risk reduction and management, focusing on rescue and relief operations during crisis situations.
