GUIDELINES FOR TRANSFER FROM OTHER UNIVERSITIES AND COLLEGES

Students with previous college work from another university who want to transfer to the University of the Philippines (UP Diliman) must satisfy all admission requirements of the accepting unit/college. Applicants for transfer shall be considered for admission to the University only during the first semester of each academic year.

In general, a transfer applicant may be evaluated for admission provided that:

- (1) S/he presents grades for **all collegiate academic subjects taken outside UP** for evaluation;
- (2) S/he shall have completed, outside the University, **at least 33 academic units equivalent to UP courses**;
- (3) S/he meets the general weighted average (GWA) requirement of the program applied for. Depending on the degree program, the **GWA requirement can be at least 1.5 or 1.75 or 2.00** for all the collegiate academic units taken outside of UP; University rules prescribe a **minimum GWA of 2.00 for transfer admission into any degree program in the University**.
- (4) S/he satisfies other admission requirements of the admitting college/unit prescribed for each degree program such as interview, talent test or written or oral examination;
- (5) S/he falls within the quota of the program at the time of application. Applicants shall be ranked according to the criteria set by the admitting program and the cut-off shall be determined by the college/unit based on their quota; and
- (6) S/he will have to complete in the University not less than 50% of the units required in the program which should include **ALL** upper division courses;

To graduate with honors, he/she will have to complete 75% of the required number of units and must be in residence for 2 years immediately prior to graduation.

Note: Transfer applicants from other schools must not have any enrollment between JUNE TO JULY 2025.

REQUIREMENTS TO BE SUBMITTED

Transfer applicant should submit the following:

- (1) A certified true copy of grades (TCG) with original signature of the school registrar or his/her authorized representative, from each college attended for evaluation (if the applicant attended more than one college/university), regardless of his/her intentions to validate his/her advance credits (**class cards are not accepted**).

Note: Second degrees and graduate of diploma/associate degrees, must present TOR or TCG with Certificate of Graduation.

Do not apply for an Honorable Dismissal/Transfer Credential unless you have been accepted into a program.

Validation for Advanced Credits

Advanced credits for courses taken outside the University may be granted upon passing the prescribed validation examination.

Admitted undergraduate transfer students must validate all the courses they are offering for advanced credits at the rate of at least 18 units a semester within a period not exceeding three (3) semesters from the date of their admission. Their admission will be on a probationary basis until all subjects taken outside UP which are required for their program have been validated or repeated, in accordance with the rule on validation of courses. Students will not be allowed to enroll in a subject, the prerequisites of which, taken elsewhere, have not been validated, or repeated, as the case may be.

Student transferring from any recognized institution who possesses an Associate in Arts or its equivalent of sixty-six (66) units of work may be enrolled without needing to take validation exams. Before a student is allowed to major in any discipline, however, the unit may prescribe up to 18 additional units of general education subjects and/or preparatory subjects for the major.
