MEMORANDUM CAM 2026-01

FOR: College Secretaries, Graduate Program Coordinators, and All Concerned

FROM: 
CHRISTINE JOY A. MAGPAYO
OIC and Asst. University Registrar

SUBJECT: Deployment of Updated Online Advising Module in the Computerized Registration System (CRS)

Please be informed that the **updated Online Advising Module** in the Computerized Registration System (CRS) is being deployed effective tomorrow, 24 July 2026.

The module has been streamlined based on user feedback to improve advising efficiency. Previously, advisers needed to open multiple browser tabs or windows to view a student's grades and curriculum progress. The updated module consolidates all essential academic and ineligibility information into a single view and adds dedicated tabs within the page for curriculum in which grades can also be viewed.

Kindly forward this announcement to all academic advisers in your college or unit.

If you have any feedback or encounter any technical issues, please contact CRS Support at support@crs.upd.edu.ph or local 4560.

Thank you.
