FROM: ROWENA  QUINTO-BAILON, PhD
University Registrar

SUBJECT: New University Registrar

At this juncture, I would like to extend my heartfelt gratitude to all of you who have served during my stint at the Office of the University Registrar. Your insights, suggestions and comments during our meetings became the very reasons why we were able to overcome all the challenges that came our way. As I step down as the University Registrar, I would like to thank you all for your unwavering support and assistance during registration and graduation. I know your job is not an easy task and it takes a lot of dedication and time, but we were all victorious because we worked as one.

I am now turning you over to the new University Registrar, Associate Professor Maria Nerissa (Ma'am Issa) Abara from the College of Science, Institute of Mathematics. I hope you will extend same if not more than the support that you have accorded to me.

Padayon and see you around po.
